

Office Memorandum • UNITED STATES GOVERNMENT

TO :

DATE: 31 March 61

FROM :

SUBJECT: EFRIESEN's country house

I finally found EF's sketch of how to get to his place. I never visited the place because his invitation to do so came shortly before our departure from Munich. The picture he showed me of it indicates that it is a quite substantial affair. The picture didn't show it, but I gather from the sketch that the house is not isolated and thus some kind of surveillance would be feasible.
